## **Music Director Compensation**

Our great energetic Director, who expends countless preparation hours, is compensated by chapter member contributions, which we place into a receptacle (can) located on the refreshment table.

A word about the amount to be given: Many of us remember the days when you could ride a bus or subway for a nickel, and consequently often think back to then when putting money into the can. But today, when a hundred dollar bill is referred to as the “new twenty”, putting a couple or three “George Washington's” into the can is not enough for our Director to get a measly gallon of gasoline.

**So let each of us consider giving an upgraded amount this year. It's all to our benefit!!!**

**Sunshine Requests:**

None reported.
