Chapter business is now out of the way. The remaining time and use thereof are under the auspices of our Music V.P., the Music Director, and Asst. Music Dir.

Line up your ticket sales early!!!!

This way you will know whether your contacts can make the show, and line up new ones as needed. It would be great if everyone could sell 20 tickets or more, to fill the high school auditorium. Remember that we'll have better seating and parking this time. Let's really sell this show, and future shows at this locale. Best to all, Jay Marcott

Peacock has tickets to Masters of Harmony May 1 show matinee and evening \$35 (best seats) \$25 (good seats). We will be there doing the parking for the show so plan on that as well. If going to matinee you will be on the evening shift and vice versa.

Thanks to Steve, our new multi-purpose printer is just about in tow, and should be operational next week!!!!!!

The next HOD meeting is scheduled for 2 pm March 19, 2010 in Harrah's (Douglas Room), 219 N. Center Street in Reno, Nevada. In preparation for this important meeting the delegates are requested to review the Spring Brochure document now online at [REVISED 2010 Spring HOD Brochure](#).

A special welcome to our newest members, Corbet Wilcox (lead) and Andy Holmes (bass).

Guys,

We've got only a few weeks until our contest, then only a couple of weeks till our annual show.

I really need you all to start pulling your weight in the chorus by working on your music at home, not just during chorus rehearsal.

We all have full lives which can include homes, jobs and families that keep us busy, but we also should have a commitment as well as a sense of brotherhood.

We've got a responsibility to the guy next to us to be at our best by knowing the words and music for all our songs at all times.

We've got sheet music and learning tracks on the website, and your section leaders and Music VP have CD's of all the learning tracks, as well.

If you use the same learning system that we've implemented at rehearsal, you can learn each song in about 45 minutes..

Don't let the other guys down, don't let me down, but most of all, don't let yourself down by not putting in a little extra effort.

It'll pay off for all of us, and our audiences, as well.

Yours for a song, John

Save time. Use the new music 'learning method' at home. If you don't know the method, contact your section lead. Also, some members have put our contest songs on smart phones, Ipods, and other electronic devices and walk around with ear buds all day getting things right.
