This is an outstanding opportunity for any barbershopper who wants to learn more and have a great time doing it.

Quartets: Receive a weekend full of coaching from our Society's top coaches

Choruses: Up to 4 Choruses may receive coaching from our Society's top coaches for 4 hours, and individual chorus members will be able to enroll in classes as well

Individual students: Follow a course of study designed to make for better singers and better chapter members. Or pursue a new area of our hobby.

All students: Participate in activities to build and grow our singing fraternity. Woodshed, tag-sing, and have a great time with other great barbershoppers in our District.

**Remember, the Pasadena Chapter offers a limited number of scholarships to this educational event.** (see [www.crowcitychorus.com](http://www.crowcitychorus.com), click on Scholarships. For more details, see flyer table.
